Spring Sing 81

The theme of this years Spring Sing was, "North, South, East and West." The show was incredible and each class did a superb job.

The freshmen featured an international doll shop and sang songs from the East.

The sophomore's hero and heroines won a golden ticket to the Carribean.

The juniors followed the dreams of an English flower girl and sang songs from the West.

Lastly the seniors had three hobos talking about where they are going to go in the U.S. and Canada.

The sophomores came in first followed by the seniors. The juniors were third followed by the freshmen.

all classes should be very proud of an outstanding show for 1981!

ACADEMY OF OUR LADY OF PEACE
SAN DIEGO, CALIFORNIA

The seasons are changing and so am I,
I'm starting to tell my childhood goodbye.
I'm not the little girl that I used to be, in some ways I'm different entirely.
It's a little sad to see children play to think I'll never again be that way.
Perhaps it is the future I fear, fear of losing the past that is so very dear.
Unlike loved ones, time we cannot hold.
We pass by a mirror and realize it has made us old.
It's just the minutes, hours, and days that go by so fast.
And happy times of the present, soon become the past.
Yes it seems like yesterday that we were all small.
And suddenly years come upon us and it doesn't seem like time at all.
Trying so hard to keep up with today; memories of good times fading away.
Growing up is hard to do when you want to enjoy life's moments, which are so few.
I might always be a child at heart and from that will be harder to part.
The seasons are changing and so am I,
I must begin to tell my childhood goodbye . . .
GOODBYE!
